

CleanShield® Mats

Restroom Mats • Indoor

CleanShield mats are premium disposable restroom mats designed to help prevent odors and protect floors and grout from uric acid damage.

- **Minimizes Odors** – Anti-microbial treatment provides lifetime protection from odors and degradation
- **Protects Floors** – Seep-Guard barrier eliminates urine seepage, protecting your floors from damage caused by uric acid
- **Stays in Place** – Tacki-Back adhesive keeps the mat flat and in place
- **Dries Quickly** – Surface dissipates water quickly for fast drying time
- **Hassle Free** – Mats can be left in place during daily floor cleaning; floor scrubbers, mops, and brooms will pass right over them without causing damage
- **Safe** – Certified high-traction by the National Floor Safety Institute (NFSI)
- **Eco-Friendly & Attractive** – PET fabric surface is made from 100% post-consumer recycled plastic bottles and features an attractive diamond pattern that provides an upscale look
- Designed for 30-day usage; easy-to-read TimeStrip® indicates when it's time to replace the mat (step on/push to initially activate)
