CLEANING & INSTALLATION

Installation

- Size up the area you wish to cover. Lay out the tiles with tabs pointing in the same directions.
- Snap the pins into the tabs. Repeat the process row by row, wall to wall.
- For large installations, tap pins into tabs with a hammer, trim your assembled surface for a precise fit.

Cleaning & Maintenance

- To clean the surface, brush it down with soapy water and rinse.
- To clean underneath, roll back and sweep or hose down.
