

## MELT STEP™

SLIP RESISTANT/WET ENVIRONMENTS/INDOOR-OUTDOOR

- A convenient and reliable solution for melting snow and ice from walkways to prevent slip and fall accidents
- Unique reversible design permits electrical connection on right or left side of walkway
- Water proof electrical connection system with GFCI switch prevents electrical shock hazard
- 6' power cord (120 volts) with GFCI switch as well as a 6' extension cord are both sold separately
- Up to 4 mats can be connected in sequence
- Durable molded nitrile rubber construction is water proof, UV resistant, and flexible in freezing temperatures
