

# Comfort Scrape Floor Mat

Comfort Scrape has a non-draining surface, yet is light weight and flexible for easy handling and cleaning. This mat is welding safe as well as being static dissipative. It is grease and oil proof and chemical resistant. It is recommended for kitchen and industrial applications.

- High density closed cell Nitrile rubber cushion has 15% recycled content
- Comfort Scrape with Grit, Product (#4300) has an added aggressive silicon carbide anti-slip top surface
- Beveled edges for safe transition from mat to floor
