

Hog Heaven III Modular Tiles

Formerly known as Hog Heaven II, the Hog Heaven III has an improved locking mechanism for greater reliability and function.

Recommended for distribution, manufacturing and retail facilities for picking lines, assembly lines, workstations, check-out stations and more. Nitrile rubber surface is molded to the cushion backing (not glued) so the surface does not delaminate. The mats cushion is a closed cell Nitrile rubber cushion that provides long-lasting comfort.

- Rubber surface remains flexible for the life of the product and will not curl or crack
- Border is available in black and yellow striped
- Electrically conductive, and welding safe
